23 August 1967

MEMORANDUM FOR: SA/D/BGI

SUBJECT: Contact with [REDACTED] 25X1X7

25X1X7

25X1X7 1. On 21 August, [REDACTED] called for some climatic  
25X1X7 information on the city of Tyumen (USSR). He had been asked  
by [REDACTED] for "rain and fog" conditions during the months of  
September and November. The question related to a proposed  
exchange trip some [REDACTED] were planning to the USSR. (The  
Soviets had refused visiting the city in September because  
"rain and fog prevented landing".)

2. OD/S provided me with details about the above subject,  
which I passed to [REDACTED] on 22 August. The data was unclassified.
